Dear Clint;

Champion manufactures in the USA exclusively and therefore certifies all gaskets with our manufacturer's mark (CSM or Champion) meet the "Buy American" clause of **The American Recovery and Reinvestment Act of 2009**. This certification applies to all shipments in 2009 and future shipments unless otherwise stated.

The gaskets supplied include, Standard Mechanical Joint, Mechanical Joint Transition, Ebaa Seal, EZ Flange, Dirt Shields, TYT & Ball Extrusions, Extrusion Profiles (Large and Small), 4400 Special TYT, Tyton<sup>®</sup> Push on Transition, PVC, Armor Tip, Tyler CI, and gaskets made with special order elastomers, EPDM, Neoprene, Nitrile, and FKM.

In accordance with ANSI/AWWA C111 A21.11-00, manufacturing country of origin is molded into each gasket. In the case of Champion products the origin mark will appear as, MADE IN THE USA OR USA.

Thank you for your business. Feel free to contact me if I may be of additional assistance.

Respectfully,

Jennifer Gable
